## WHO WE ARE

In May 2016, Carolina Complete Health Network, Inc. was formed to ensure that physicians treating Medicaid beneficiaries in North Carolina have a physician-led, sustainable mechanism to provide Medicaid managed care services.

## WHAT WE WILL DO

Working in partnership with organizations that have demonstrated success in value-based Medicaid services, we will establish, grow, and operate a physician-led provider network that uses data-driven, outcomes-based models-of-care to serve Medicaid beneficiaries in North Carolina.

## OUR MISSION

- Provide state-of-the-art care to Medicaid beneficiaries resulting in better health at lower cost.
- Empower healthcare professionals to optimize care that is outcome-driven, evidence-based, and cost-effective.
- Engage healthcare professionals caring for Medicaid beneficiaries in developing best practices and medical policies.

## OUR APPROACH

Through a joint venture with Centene Corporation, launch Carolina Complete Health, a North Carolina-based insurance company governed by North Carolina physicians, and position it as an ideal healthcare option for Medicaid beneficiaries.

## OUR FUTURE OWNERS

Together the North Carolina Medical Society, Community Health Centers, physicians, physician assistants, and nurse practitioners delivering health care to North Carolina Medicaid beneficiaries.
