WHO WE ARE

In May 2016, Carolina Complete Health Network, Inc. was formed to ensure that physicians treating Medicaid beneficiaries in North Carolina have a physician-led, sustainable mechanism to provide Medicaid managed care services.

WHAT WE WILL DO

Working in partnership with organizations that have demonstrated success in value-based Medicaid services, we will establish, grow, and operate a physician-led provider network that uses data-driven, outcomes-based models-of-care to serve Medicaid beneficiaries in North Carolina.

OUR MISSION

- Provide state-of-the-art care to Medicaid beneficiaries resulting in better health at lower cost.
- Empower healthcare professionals to optimize care that is outcome-driven, evidence-based, and cost-effective.
- Engage healthcare professionals caring for Medicaid beneficiaries in developing best practices and medical policies.

OUR APPROACH

Through a joint venture with Centene Corporation, launch Carolina Complete Health, a North Carolina-based insurance company governed by North Carolina physicians, and position it as an ideal healthcare option for Medicaid beneficiaries.

OUR FUTURE OWNERS

Together the North Carolina Medical Society, Community Health Centers, physicians, physician assistants, and nurse practitioners delivering health care to North Carolina Medicaid beneficiaries.
