

Request to Move from Standard Plan to Medicaid Direct Provider Guide

Service Associated Request to Move Form

If a member needs services covered only by the Medicaid Direct LME-MCO for a serious mental health disorder, severe substance use disorder, intellectual and developmental disability (I/DD) or traumatic brain injury (TBI), the provider should submit the **'Request to Move to NC Medicaid Direct (Fee for Service) or LME-MCO: Provider Form'**. For service associated requests, include a Service Authorization Request (SAR) or Treatment Authorization Request (TAR) and supporting documents (found within online submission form).

This form can be submitted online using the [Enrollment Broker website](#). **Select Provider Form**

The screenshot shows a web form with a dropdown menu labeled "Selected Form". The dropdown is open, showing four options: "Please select a form", "Request to Move to NC Medicaid Direct (Fee for Service) or LME-MCO: Beneficiary Form", "Request to Move to NC Medicaid Direct (Fee for Service) or LME-MCO: Provider Form" (which is highlighted in blue), and "Standard Plan Change Request Form". To the right of the dropdown is a dark blue button labeled "Go".

Providers can also fax or mail a form with supporting documentation. Downloadable forms and instructions are available online: <https://www.ncmedicaidplans.gov/member-resources>

A list of behavioral health services available through the Standard Plans versus NC Medicaid Direct (the Tailored Plans at launch) can be found on page two of this guide.
