## Physical Health Out-of-Network (OON)

### Provider Guide

### Key Reminders

- Make sure your office staff know about the launch of Tailored Plans, how to verify member eligibility using NCTracks, and which Tailored Plans you are contracted with as a physical health Tailored Plan provider.
- When a member presents for service, use NCTracks to verify member eligibility and determine which Tailored Plan they are assigned. For dates of service beginning 7/1/24, instead of submitting physical health claims to Medicaid Direct for Trillium Tailored Plan members, providers should submit using the methods outlined in the [Trillium Claims Provider Training](#).
- A Primary Care Provider can still administer and bill for service if they are not on the member's Trillium ID Card. The member may contact Trillium to change their PCP. Members can change their PCP by calling 1-877-685-2415.

### Step 1: Submit a Prior Authorization

All out-of-network physical health services require an authorization except for primary care, emergency/urgent care, or family planning services with contraceptive management diagnoses. If services are part of these listed exceptions, proceed to "Step 2: Submitting Claims".

- 1) OON providers should request a service authorization using the manual authorization submission methods outlined below.
- 2) The authorization will be reviewed for medical necessity. If approved, the OON provider has 180 calendar days from the date of service to submit a first-time claim using the paper claim or EDI submission methods listed above.

## Step 2: Submit Claims

- OON Providers must submit all first-time claims for reimbursement no more than one hundred eighty (180) calendar days from the Date of Service, or in the case of a health care provider facility, within one hundred eighty (180) calendar days after the date of the member's discharge from the facility. See page two for OON Provider Claim Submission guidance.
- Providers should use the appropriate paper claim form type ([CMS 1500](#) or [UB 04](#)) and submit to:  
Trillium Health Resources  
PO Box 8003  
Farmington, MO 63640-8003
- OON Providers who have an EDI/Clearinghouse claim submission process, may submit physical health claims to Payer ID 68069.

**NOTE:** OON Providers subject to EVV requirements, must submit claims through Electronic Visit Verification (EVV). Trillium utilizes HHAeXchange as the EVV vendor. Please view the [Trillium EVV Welcome Letter](#) for additional details on connecting with the HHA portal.
