Provider Portal

Trillium Physical Health Portal Setup:

- To access the Trillium Physical Health Portal, contracted providers must identify an individual who will serve as the Portal Account Manager.
- The Account Manager should follow the prompts using the portal link to create an account, validate their email, and register the Tax ID Number (TIN)
- After registering, email your assigned [Provider Engagement Administrator](#) email ProviderEngagement@cch-network.com to request verification of your portal registration request and assignment as Portal Account Manager.

Initial Portal Registration

- **Portal Registration:** Once the EntryKeyID account setup is completed, the portal user will log in with their Username and password. The Portal Registration page will display.
- Once you have completed registration, your portal **Account Manager** can verify your access.
- **If an Account Manager is not yet established**, that individual should reach out to CCHN Provider Engagement for set-up.

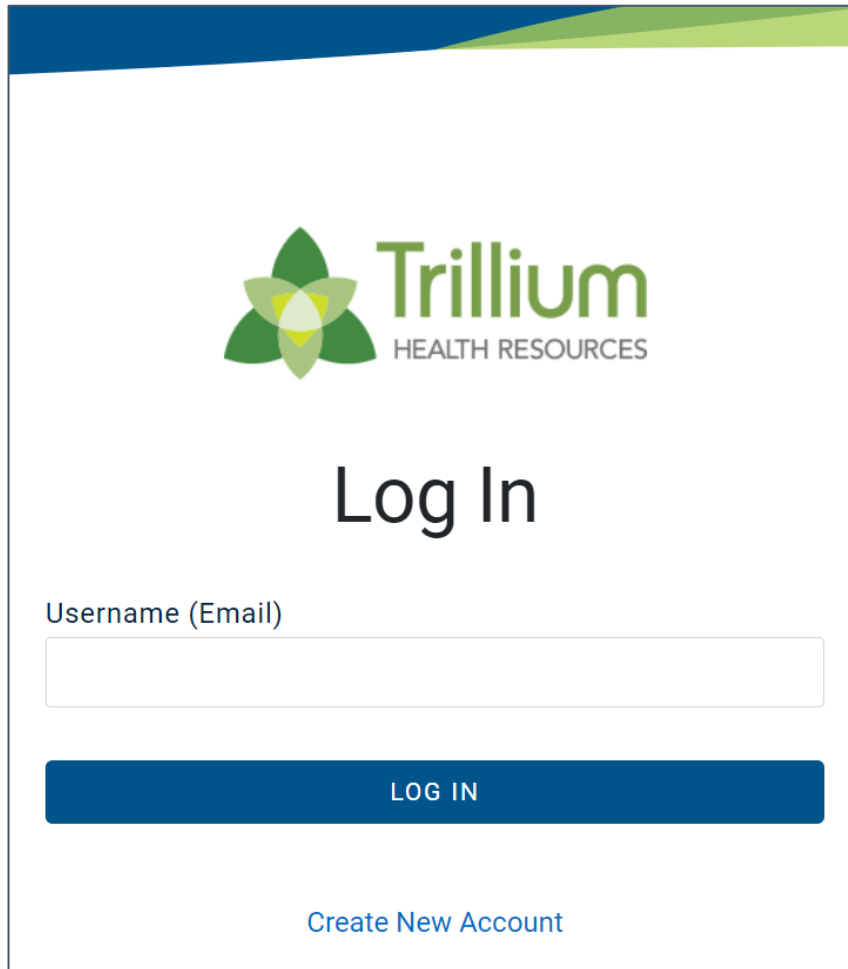

The image shows two overlapping screenshots of the portal interface. The background screenshot is the 'Log In' page, featuring a 'Log In' button, a 'Username (Email)' input field, a 'LOG IN' button, and a 'Create New Account' link. Below these is the 'single password reliable security EntryKeyID' logo. The foreground screenshot is the 'Provider Registration' page, titled 'Provider Registration' with the subtitle 'Enter your account details to complete your registration'. It includes a 'Select your registration type:' section with radio buttons for 'Medical Provider' (selected) and 'Dental/Vision Provider'. Below this are input fields for 'Tax ID', 'Business Phone', and 'Fax Number'. At the bottom are 'SUBMIT' and 'CANCEL' buttons.

Tip: To register for the portal, the provider organization's TIN *must* be loaded in our back-end system(s).

Overview: Physical Health Portal Set-up

The screenshot shows the Trillium Health Resources Log In page. At the top, there is a blue and green header. Below it is the Trillium Health Resources logo. The main heading is "Log In". There is a text input field labeled "Username (Email)". Below the input field is a blue "LOG IN" button. At the bottom, there is a link that says "Create New Account".

Secure Portal address: <https://provider.trilliumhealthresources.org/>

- 1. Assign Portal Account Manager:** To access the Trillium Physical Health Portal, in-network contracted providers must identify one individual who will serve as the Portal Account Manager. The Account Manager will be responsible for managing all other users for that provider organization.
- 2. Create an account:** Visit provider.trilliumhealthresources.org to create a new account associated with your email address.
- 3. Verify email:** Verify your email address by entering the one time code sent by EntryKeyID.
- 4. Register TIN:** Under the 'Success!' message, click continue to enter the Tax ID for the contracted entity, business phone and fax. Click 'Submit.'
- 5. Email Provider Engagement:** After registering, email your assigned Provider Engagement Administrator to request verification of your portal registration request and assignment as Portal Account Manager. **CCHN is responsible for verifying/setting up the first Account Manager.**

Note: Providers should not use the Carolina Complete Health Standard Plan portal to submit Tailored Plan claims.

Availity Essentials: Additional Secure Portal Option

Centene has chosen Availity Essentials as a new, secure provider portal. Current Availity Essentials functions include:

- Submit claims
 - Check claim status
 - Submit authorizations
- 🌱 Our current secure portal is still available for other functions that providers use today. For providers new to Availity Essentials, getting their Essentials account is the first step toward working on Availity.
- 🌱 The provider organization's designated Availity administrator is the person responsible for registering their practice in Essentials, managing user accounts, and should have legal authority to sign agreements for their organization.
- Administrators can register with Availity Essentials here:
 - www.Availity.com/documents/learning/LP_AP_GetStarted
 - Providers needing additional assistance with registration can call Availity Client Services at **1-800-AVAILITY (282-4548)**, Monday through Friday, 8 a.m. – 8 p.m. ET.
 - For general questions, providers can reach out to their health plan Provider Engagement representative.

Portal Account Manager

Portal Account Manager

- A Portal Account Manager is a role assigned to a primary contact within a provider organization
- The Account Manager is responsible for the day-to-day support of all Secure Provider Portal user accounts that are registered under the same TIN
- Email your assigned Provider Engagement Administrator or ProviderEngagement@cch-network.com to establish the first account manager for your TIN

Portal Account Manager Tips

- Each TIN should have at least two Account Managers
 - For large organizations, it is recommended to have at least two Account Managers per department.
 - There is no limit on the number of Account Managers allowed under a TIN
- Account Managers should *regularly* log into the portal to:
 - Verify new portal registrations
 - Send password reset email to users whose portal account is locked due to inactivity
 - Disable / Enable a user's portal access
 - Modify portal permissions based on the user's role within your organization
- Account Managers **cannot** manage their own portal account

Tip: Always disable portal users, who no longer need portal access, especially when they leave your company.

Portal Access for Third-party Billers

- 🌱 Third-party billing entities supporting Trillium providers third-party have accounts to the Secure Provider Portal when validated by the practice's **Portal Account Manager**.
- 🌱 The Account Manager should Invite a User by sending an invitation to the email address for the third-party biller.
- 🌱 This generates an email link to the Trillium PH Secure Provider Portal.
- 🌱 User should continue to Create an Account, verifying their email, then returning to enter TIN, Phone, and Fax.
- 🌱 **After this point, the third-party biller should contact the Portal Administrator at the practice to verify their account request.**
- 🌱 Upon verification, the user will be able to login to the portal and have functionality to submit and view claims.

Personal Care Services

How to Initiate and Continue PCS

- To request an independent assessment for a Trillium member, the MD caring for the member should complete [Trillium's 3051 Form](#). The completed form should be emailed to LTSS@trilliumnc.org
 - *The form must have the referring practitioner's signature. Signature stamps are not acceptable. The signature must be handwritten to be acceptable.*
- The member's medical provider should re-submit the 3051 form on an annual basis and as needed for a change in medical/functional condition which often occurs during a hospitalization or changes in support.
 - *All new referrals and medical change of status requests will require the referring entity to provide both the medical diagnosis description and diagnosis codes.*
- Providers do not need to request re-authorization of PCS services. This is supported by LTSS Care Managers and the Utilization Management team directly.
 - *Providers may receive a request to submit an updated 3051. Please respond promptly if requested to continue services.*

3051 Review Process and Eligibility Criteria

- All required areas must be completed.
- Forms signed by Medical provider (MD, NP, or PA)
- Form is legible.
- Last visit to physician is within 90 days of receipt.*
- Beneficiary must have active Medicaid with Trillium Tailored Plan.
- The beneficiary must reside in an allowed setting (primary private residence or licensed residential setting per policy 3L).

* If a beneficiary has not been seen by their PCP within 90 days of the request date, the patient must schedule an appointment with the doctor and resubmit the referral with the new date before the request can be processed.

Claims and Payment

Physical vs. Behavioral Health Billing

- 🌱 On 11/25/24, NC Medicaid released updated health plan billing guidance effective 10/01 that outlined BH vs PH claim guidance.
- 🌱 Health Plan Billing Guidance was since updated on 1/10/25
 - View this page for latest versions: medicaid.ncdhhs.gov/health-plan-billing-guidance
- 🌱 “Claims with a primary care billing or rendering provider taxonomy will be considered Physical Health” (Level 5, Primary Care Physicians)
- 🌱 Also view: [Trillium Claim Submission Protocol](#)
- 🌱 Please note: Federally Qualified Health Centers (FQHCs) and Rural Health Centers (RHCs) billing behavioral health as part of the core services identified in [NC Medicaid Policy 1D-4](#) will continue billing these as **Medical**.

Claims and Payment

- Contracted providers have 365 calendar days from the date of service (professional) or date of discharge (hospital) to file first time claim or claim corrections.
- Trillium physical health claim payments are issued weekly. Check run is Wednesday with payment issued to providers the following day. Clean claims will be resolved (finalized paid or denied) 95% within 15 calendar days and 99% within 30 calendar days following receipt of the claim.

Definitions:

Paid in Full	The claim has been adjudicated, processed and reimbursed in accordance and with the executed provider contract on file including the coordination of benefits, as applicable per claim.
Clean Claim	A claim that is received for adjudication in a nationally accepted format in compliance with standard coding guidelines and does not have any defect, impropriety, lack of any required documentation or particular circumstance requiring special treatment that prevents timely payment

Claim Denial Trends

Claim Denial	Guidance
SERVICE FACILITY NPI NOT ON MEDICAID FILE/NOT ACTIVE ON SVS	<p>Provider data on the claim must match what is in NCTracks.</p> <p>Provider Guide: https://network.carolinacompletehealth.com/content/dam/centene/carolinacompletehealth/pdfs/CCH-Prvr-Taxonomy-Guide.pdf</p>
SERVICE OR SERVICE/MODIFIER COMBO NOT FOUND ON FEE SCHEDULE	<p>Trillium Health Resources adheres to the State Fee Schedule for physical health claim processing. See State website for fee schedules, covered services, and appropriate modifiers: https://ncdhhs.servicenowservices.com/fee_schedules</p>
DENY: BILL PRIMARY INSURER 1STRESUBMIT WITH EOB	<p>Prior to submitting claim, verify member’s eligibility to determine if there is a primary payer. Federal regulations require Medicaid to be the “payer of last resort,” meaning that all third-party insurance carriers must pay before Medicaid processes the claim. Please refer to Coordination of Benefits Walkthrough (PDF) for guidance on submitting COB claims in the Trillium Physical Health Portal.</p>
DENY-BILL NPI+TAXONOMY NOT ON MEDICAID FILE OR NOT ACTIVE ON SVC DATES	<p>Provider data on the claim must match what is in NCTracks.</p> <p>Missing rendering and/or missing billing taxonomy is a common cause of claim processing delays and denials. Taxonomy numbers must also align with your provider data in NCTracks. Please also advise your Clearinghouse to make sure the changes made to taxonomy placement are permanent on your account going forward. Provider Guide: https://network.carolinacompletehealth.com/content/dam/centene/carolinacompletehealth/pdfs/CCH-Prvr-Taxonomy-Guide.pdf</p>
DENY: DUPLICATE CLAIM SERVICE	<p>The claim adjudication process will evaluate billed claims to determine if there is a previously paid claim for the same enrollee and provider in history that is a duplicate to the billed claim. The claims will be reviewed across different providers to determine if another provider was paid for the same procedure, for the same enrollee on the same date of service. Instead of submitting the same claim twice, providers can correct a previously submitted claim or void the previously submitted claim. Please reference Claims Guide- Duplicate Submissions (PDF) for additional guidance.</p>

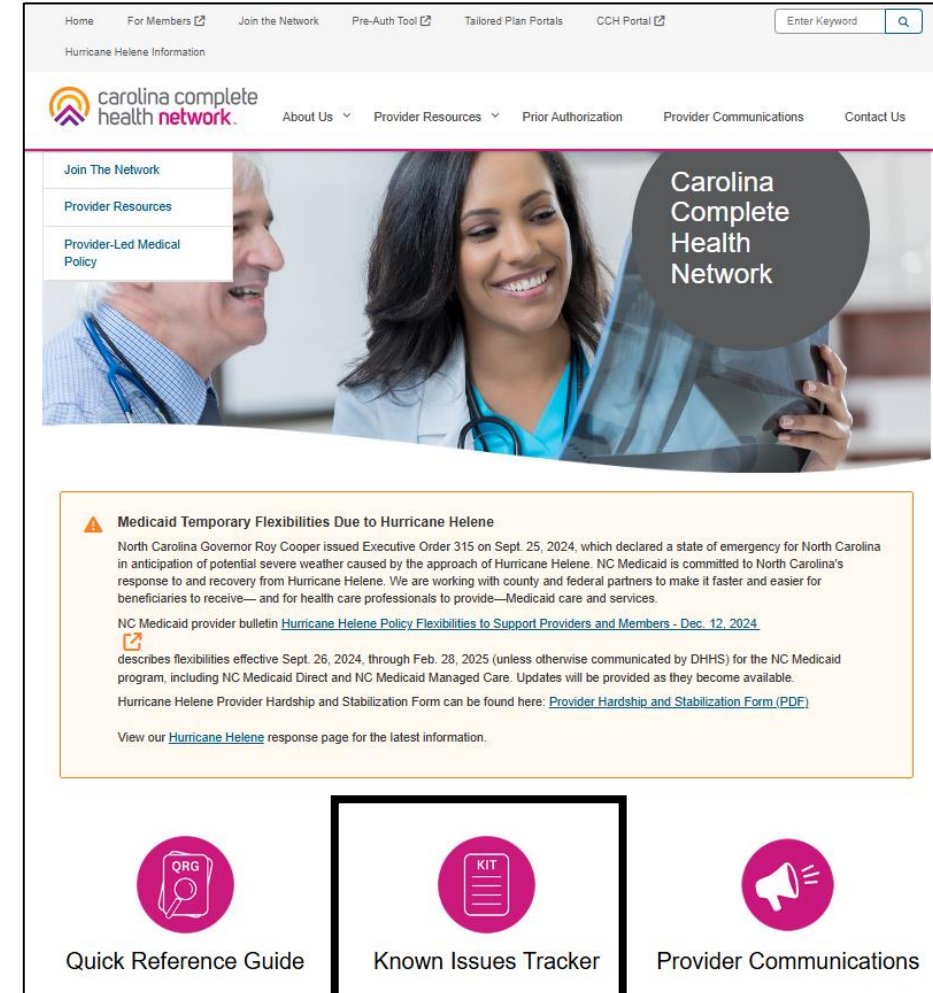

Importance of Provider Data in NCTracks

- 🌱 NCTracks is the “system of record” for provider enrollment data, which is then shared with health plans to inform contracting and provider directories.
- 🌱 In alignment with NCDHHS, Carolina Complete Health (CCH) recommends that Providers complete their enrollment with NCTracks prior to the claim submission as it will impact claim processing, and risk claim denial if enrollment is not complete.
- 🌱 Provider data on a claim is also analyzed against the Provider Data received from NC Medicaid via the Provider Enrollment File (PEF).
- 🌱 One of the more common inaccuracies among individual provider data is the individual to organization affiliation. Many Medicaid provider records seemingly contain active former employer affiliations or an excessive number of affiliations; or have affiliation data that has not been updated in over a year
- 🌱 View more information: [Provider Enrollment and Data \(PDF\)](#)

under “Claims/Finance Information & Forms”
- 🌱 Updated weekly, this document provides timely information related to known issues impacting providers.

The screenshot shows the Carolina Complete Health Network website. At the top, there is a navigation bar with links for Home, For Members, Join the Network, Pre-Auth Tool, Tailored Plan Portals, and CCH Portal. A search bar is located on the right. Below the navigation bar, the main content area features a large banner image of two healthcare professionals, a man and a woman, smiling and looking at a tablet. The banner includes the text "Carolina Complete Health Network".

A prominent notification box is displayed, titled "Medicaid Temporary Flexibilities Due to Hurricane Helene". The text within the notification reads: "North Carolina Governor Roy Cooper issued Executive Order 315 on Sept. 25, 2024, which declared a state of emergency for North Carolina in anticipation of potential severe weather caused by the approach of Hurricane Helene. NC Medicaid is committed to North Carolina's response to and recovery from Hurricane Helene. We are working with county and federal partners to make it faster and easier for beneficiaries to receive—and for health care professionals to provide—Medicaid care and services." It also includes a link to an NC Medicaid provider bulletin titled "Hurricane Helene Policy Flexibilities to Support Providers and Members - Dec. 12, 2024" and a link to a "Provider Hardship and Stabilization Form (PDF)".

At the bottom of the page, there are three navigation icons: a magnifying glass over a document labeled "Quick Reference Guide", a document icon labeled "Known Issues Tracker" (which is highlighted with a black border), and a megaphone icon labeled "Provider Communications".

Medical Home Payment and Reporting

Where can practices find their Medical Home fee Capitation Reports?

Via Payspanhealth.com. For providers not yet enrolled, visit <https://www.payspanhealth.com/> and click register or contact Payspan: Call 1-877-331-7154, Option 1 – Monday thru Friday 8:00am to 8:00pm EST. Also see attached guide. [Using Payspan to Access Medical Home Payments \(PDF\)](#)

What section of that portal should they be directed to?

In Payspan, under Payment details, click View, then Download CSV. Open the excel document and save a copy for your records.

What system or portal do they need access to, to obtain said reporting? On what date of the month is the enrollment count for the Medical Home PMPM payment captured?

1st of the month

When does your plan project that these payments will be made to practices each month?

20th of each month. First couple of months may be close to end of the month.

Trillium Physical Health Secure Provider Portal Introduction

Secure Provider Portal General Info

- Driven by Tax ID Number (TIN)
- One account can manage multiple TINs
- Performs best in the current version of Chrome
- Does *not* house member, provider, claim, or authorization data, it merely displays information from back-end systems

Initial Portal Registration

- **Portal Registration:** Once the EntryKeyID account setup is completed, the portal user will log in with their Username and password. The Portal Registration page will display.

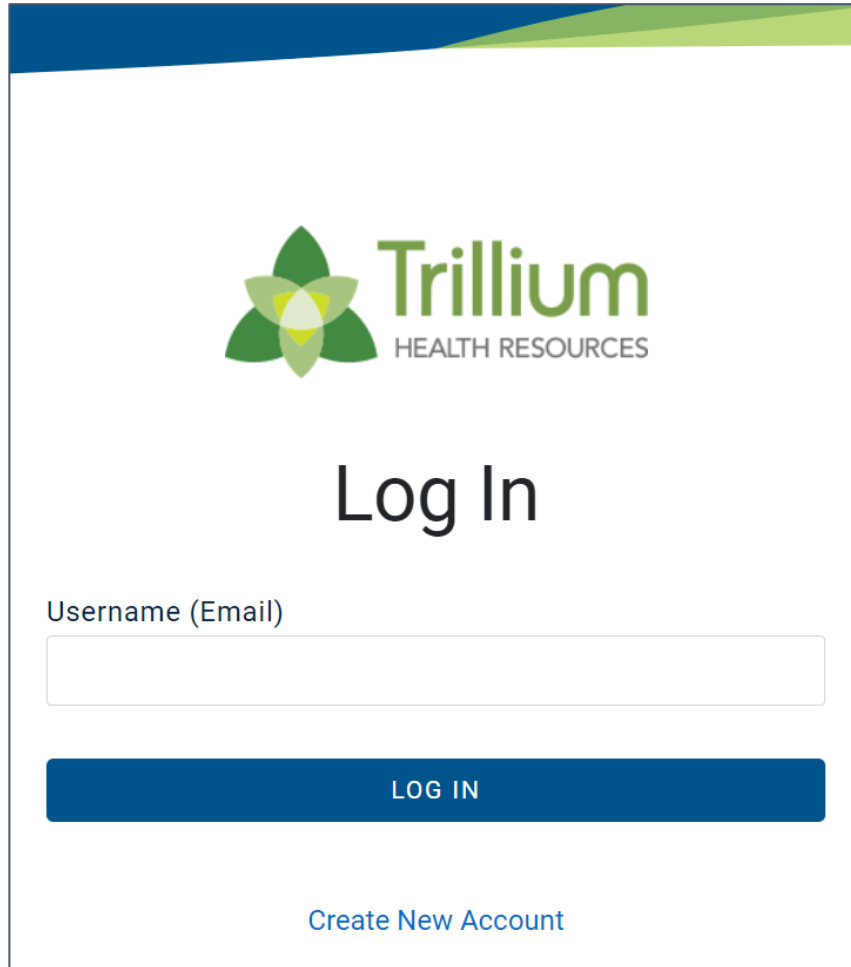

The image shows two overlapping screenshots of a web portal. The background screenshot is the login page, featuring a 'Log In' heading, a 'Username (Email)' input field, a 'LOG IN' button, and a 'Create New Account' link. At the bottom, it displays the 'single password reliable security EntryKeyID' logo. The foreground screenshot is the 'Provider Registration' page, titled 'Provider Registration' with the subtitle 'Enter your account details to complete your registration'. It includes a 'Select your registration type:' section with radio buttons for 'Medical Provider' (selected) and 'Dental/Vision Provider'. Below this are input fields for 'Tax ID', 'Business Phone', and 'Fax Number'. At the bottom of the form are 'SUBMIT' and 'CANCEL' buttons.

Tip: To register for the portal, the provider organization's TIN *must* be loaded in our back-end system(s).

Trillium Physical Health Secure Portal

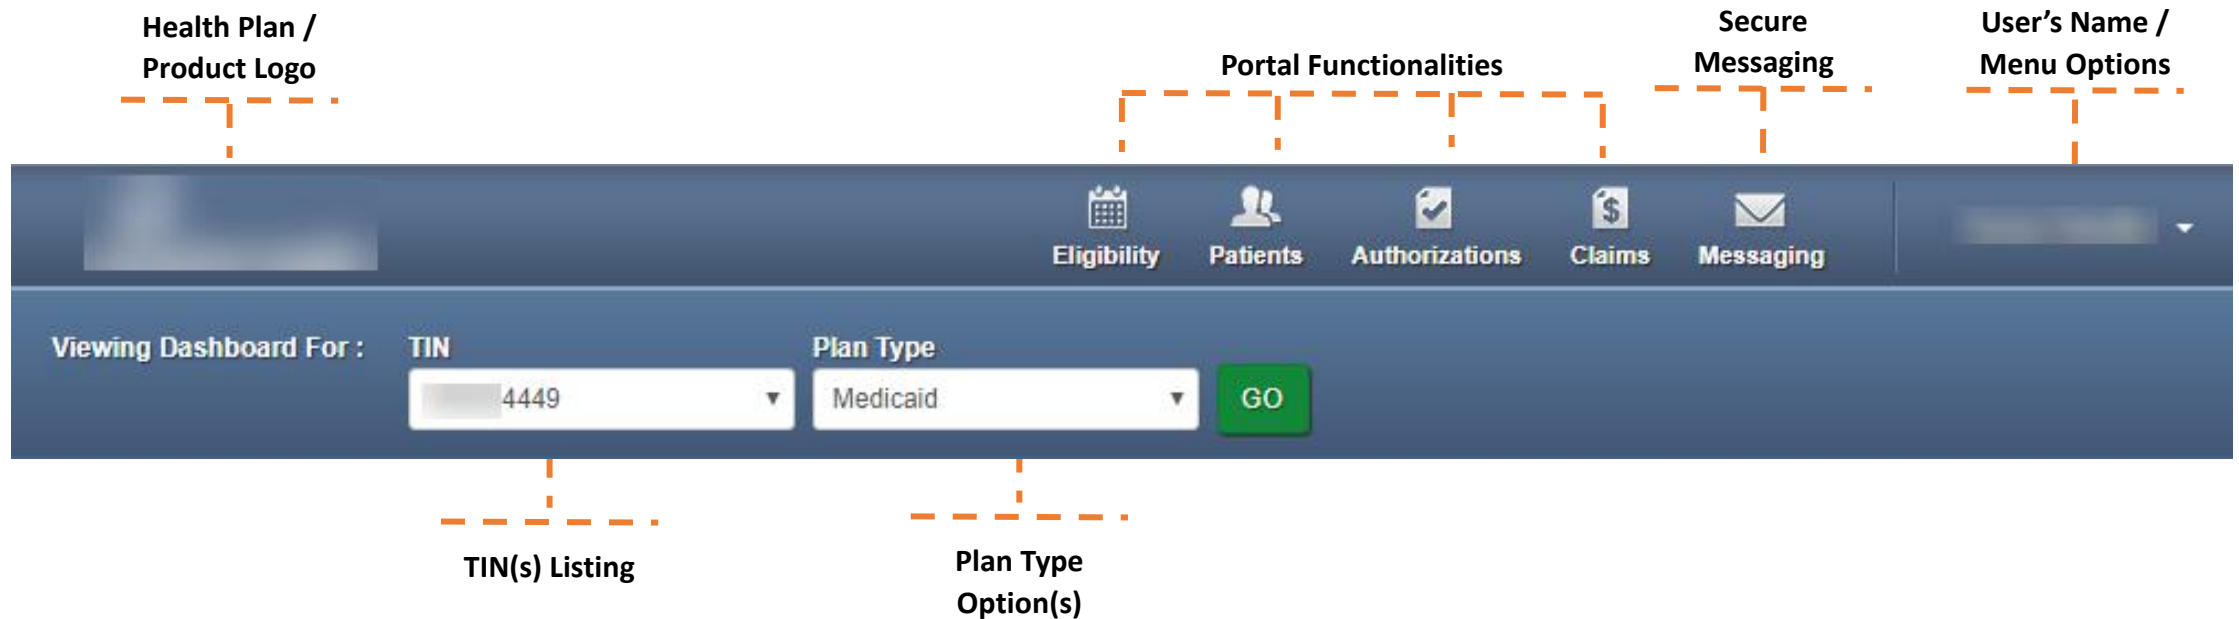

The screenshot shows the login page for the Trillium Physical Health Secure Portal. At the top, there is a blue and green header. Below it, the Trillium Health Resources logo is displayed. The main heading is "Log In". There is a text input field labeled "Username (Email)". Below the input field is a blue "LOG IN" button. At the bottom of the page, there is a link that says "Create New Account".

Secure Portal address: <https://provider.trilliumhealthresources.org/>

- 1. Assign Portal Account Manager:** To access the Trillium Physical Health Portal, in-network contracted providers must identify one individual who will serve as the Portal Account Manager. The Account Manager will be responsible for managing all other users for that provider organization.
- 2. Create an account:** Visit provider.trilliumhealthresources.org to create a new account associated with your email address.
- 3. Verify email:** Verify your email address by entering the one time code sent by EntryKeyID.
- 4. Register TIN:** Under the 'Success!' message, click continue to enter the Tax ID for the contracted entity, business phone and fax. Click 'Submit.'
- 5. Email Provider Engagement:** After registering, email your assigned Provider Engagement Administrator to request verification of your portal registration request and assignment as Portal Account Manager.

Note: Providers should not use the Carolina Complete Health Standard Plan portal to submit Tailored Plan claims.

Portal Banner

The screenshot shows a dark blue portal banner. On the left is a blurred area for the Health Plan / Product Logo. In the center are five icons with labels: Eligibility (calendar), Patients (person), Authorizations (checkmark), Claims (dollar sign), and Messaging (envelope). On the right is a blurred area for the User's Name / Menu Options. Below the banner is a section for 'Viewing Dashboard For:' with two dropdown menus: 'TIN' (showing '4449') and 'Plan Type' (showing 'Medicaid'), followed by a green 'GO' button. Dashed orange lines connect callout labels to these elements.

Tips

- Portal functionality / access is based on the user's permissions
- **Plan Type** drop-down options are automatically assigned based on how the TIN is set-up in our systems, and the products offered by the Health Plan

Portal Registration & Login Tips

- Registration is required for access to the portal
- Portal accounts cannot be shared
 - Each person within a provider organization who needs access to the portal, must complete the portal registration
- For a portal user to register, their TIN must be loaded in our systems
 - Allow at least two business days for portal to reflect updates in back-end systems
- There is no limit on the number of TINs a portal user can add to their portal account
- **Portal users must log into the portal every 90 days to prevent their account from being locked due to inactivity**
- The Forgot Password / Unlock Account link on the Secure Provider Portal login page, cannot be used to unlock a portal account, that is locked due to inactivity

The main section has tabs for 'Individual', 'Saved', 'Submitted', 'Batch' (highlighted with a red box), 'Payment History', and 'Claims Audit Tool'. Below the tabs are search filters for 'Start Date' (04/07/2021), 'End Date' (04/14/2021), 'Confirmation #', and 'Batch Claim Status' (set to ALL). A 'Search' button is present. A red arrow points to the 'End Date' field with the text: 'Change Start Date and End Date to access up to 24 months of EDI response reports'. Below the filters is a table with columns: SUBMITTED DATE, TYPE, CONFIRMATION #, FILE NAME, STATUS, and a set of three 'Download' links (FILE, TA1 FILE, AUDIT FILE) for each row. The table contains three rows of data. The first row has a status of 'PARTIAL_REJECT' and three 'Download' links. The second and third rows have a status of 'ACCEPTED' and three 'Download' links. A red box highlights the 'Download' links for the first row, with a red arrow pointing to them and the text: 'Click Download to export / view the EDI response reports'.

Below the navigation bar, there is a section for "Viewing Dashboard For:" with a dropdown menu for TIN and a dropdown for Plan Type (Trillium Health Resources), followed by a "GO" button. Below this, there are two informational banners: one with a warning icon about a Change Healthcare outage and another with an information icon about tailored plans. The main content area is titled "Welcome, Danielle!" and includes a "Quick Actions" section with a form for creating an authorization. The form has fields for "Member ID or Last Name", "Member Date of Birth", and "Select Action Type". The "Select Action Type" dropdown is open, showing options: "View Eligibility & Patient Information", "Create New Claim", "Create Recurring Claim", and "Create Authorization" (highlighted with a red box). A "SUBMIT" button is located to the right of the dropdown. Below the form, there is a section titled "Authorization Overview".

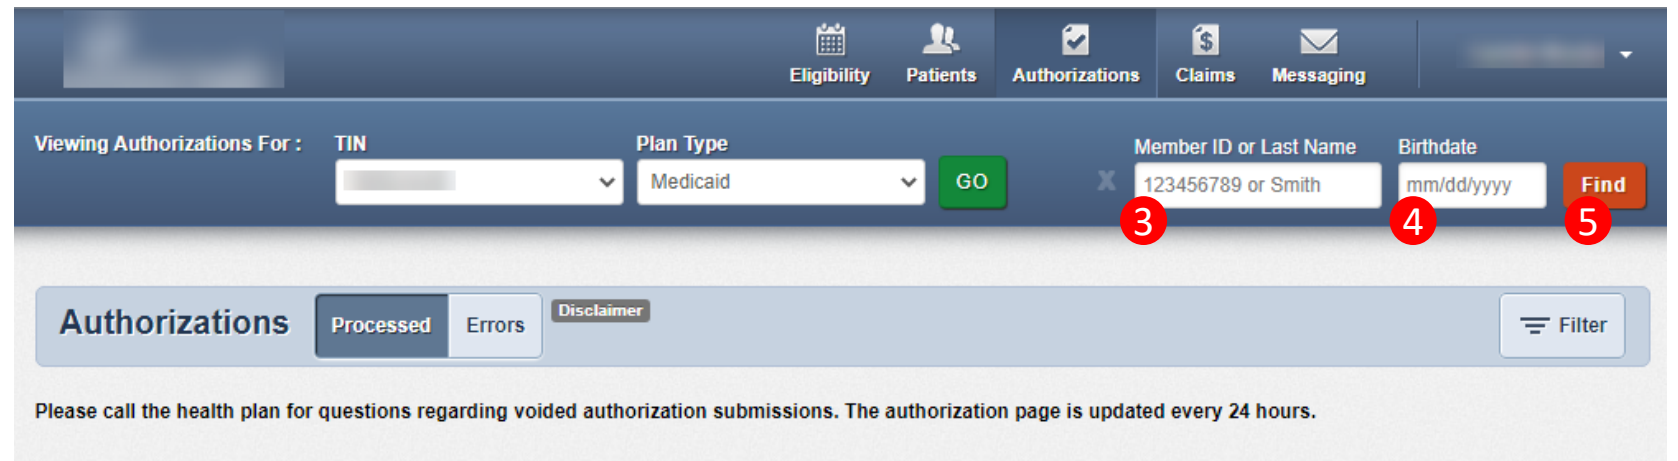

Create Authorization (Web Authorization Request)

To begin a web authorization request:

1. Click **Authorizations**.
2. **Create Authorization**.
3. Enter **Member ID or Last Name**.
4. Enter Member's **Birthdate**.
5. Click **Find**. The web authorization request displays.

The screenshot shows the top navigation bar with 'Authorizations' selected and circled in red with a '1'. Below the navigation bar, there are dropdown menus for 'TIN' and 'Plan Type' (Medicaid), a 'GO' button, a 'Smart Sheets' button, and a red 'Create Authorization' button circled in red with a '2'. Below this is a section with 'Authorizations', 'Processed', 'Errors', and 'Disclaimer' tabs, and a 'Filter' button. A disclaimer message is visible at the bottom of the section.

The screenshot shows the same interface as above, but with the search fields filled out. The 'Member ID or Last Name' field contains '123456789 or Smith' and is circled in red with a '3'. The 'Birthdate' field contains 'mm/dd/yyyy' and is circled in red with a '4'. The 'Find' button is circled in red with a '5'. The 'GO' button is also visible.

Tip: You cannot create a web authorization on an ineligible member.

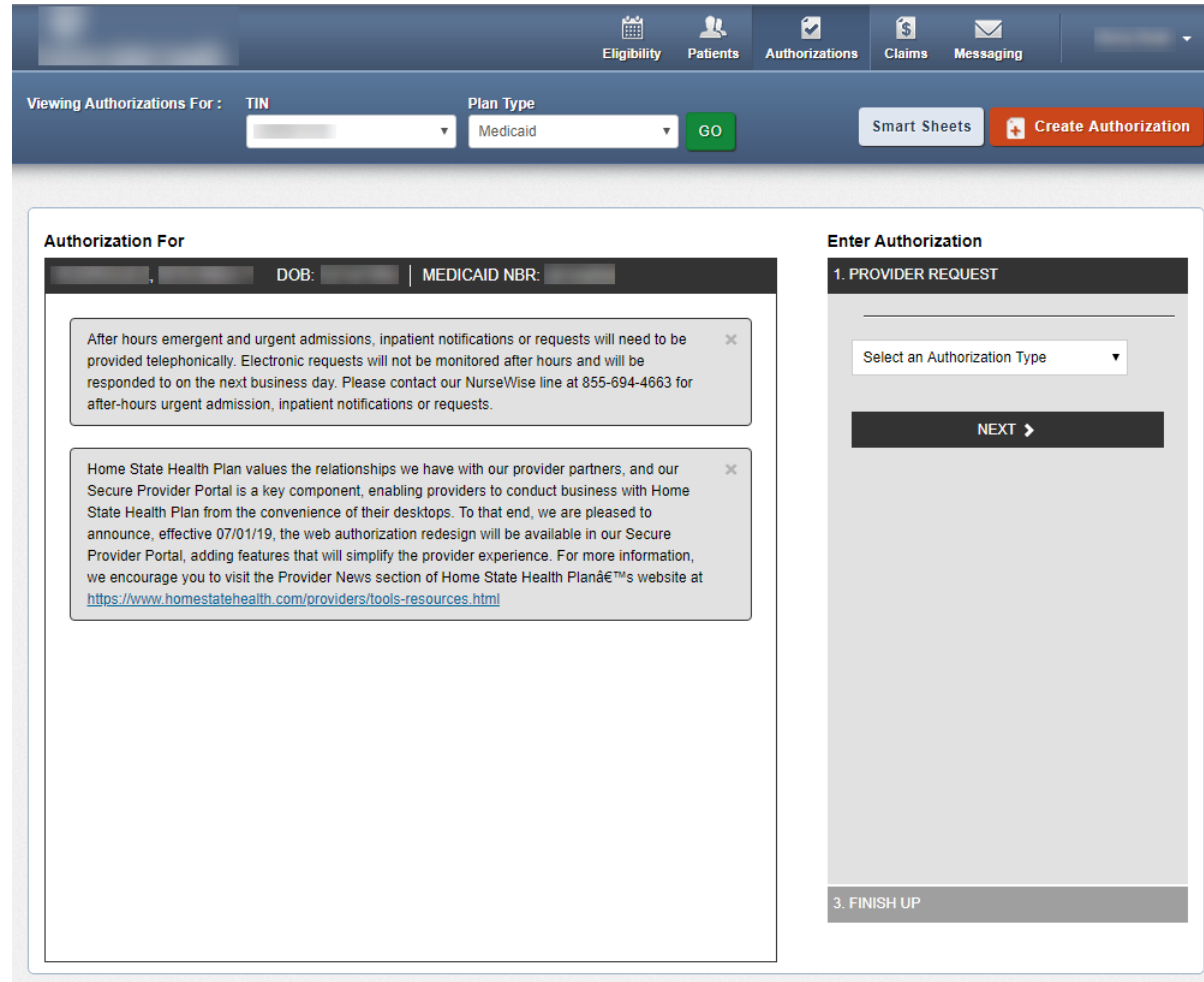

Web Authorization Request

Web Authorization request has three sections:

1. Provider Request
2. Service Line
3. Finish Up

Tip: Use the **Tab** key (on your keyboard) to move to fields in a web authorization request.

The screenshot shows the Trillium Health Resources web authorization request interface. At the top, there is a navigation bar with icons for Eligibility, Patients, Authorizations, Claims, and Messaging. Below the navigation bar, there is a search area with "Viewing Authorizations For:" followed by a TIN dropdown menu, a Plan Type dropdown menu (set to Medicaid), and a GO button. To the right of the search area are buttons for "Smart Sheets" and "Create Authorization".

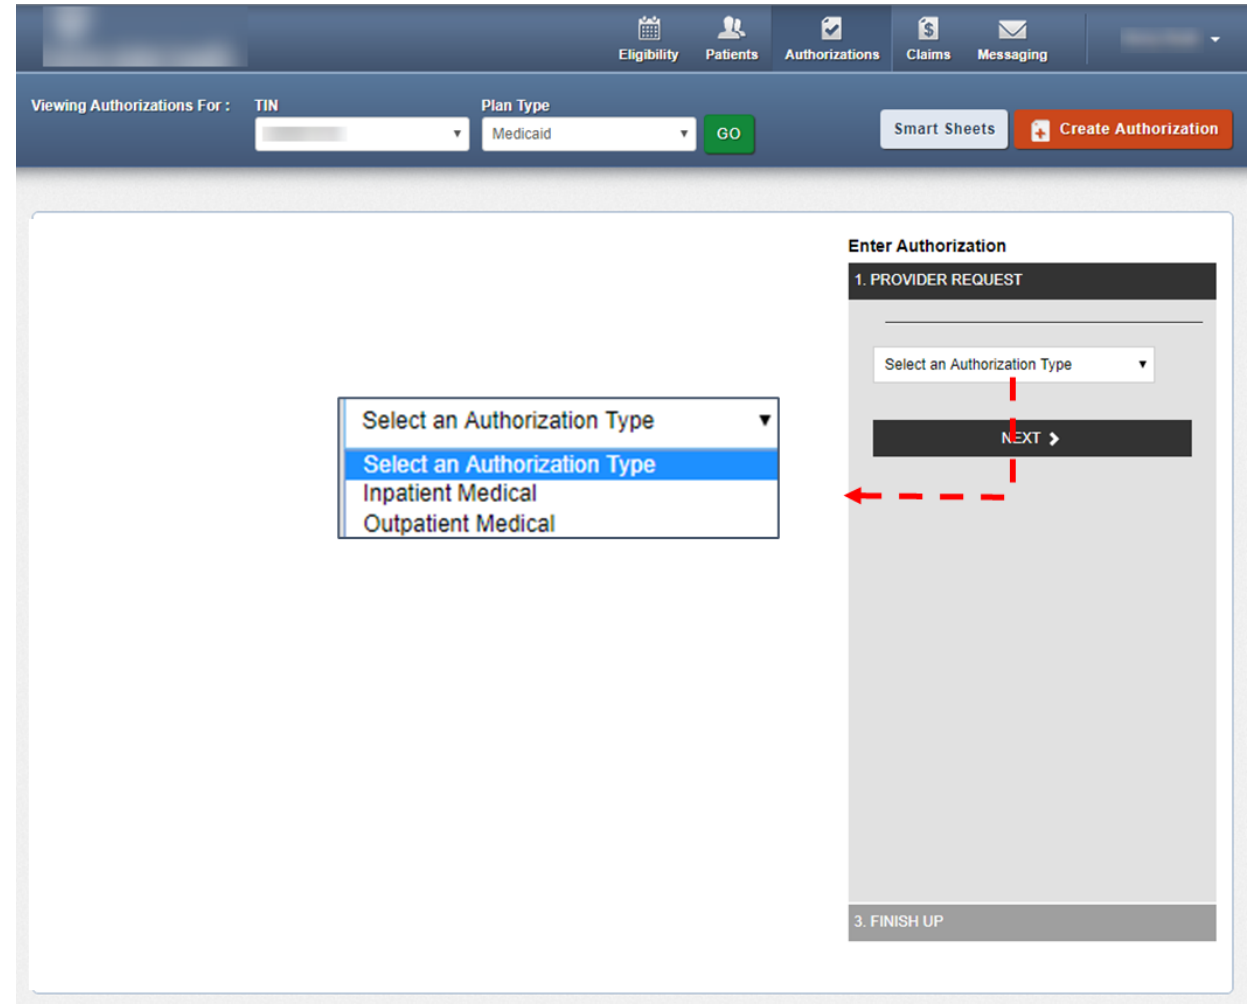

The main content area is divided into two columns. The left column is titled "Authorization For" and contains two text boxes with close buttons (X). The first text box contains the following text: "After hours emergent and urgent admissions, inpatient notifications or requests will need to be provided telephonically. Electronic requests will not be monitored after hours and will be responded to on the next business day. Please contact our NurseWise line at 855-694-4663 for after-hours urgent admission, inpatient notifications or requests." The second text box contains the following text: "Home State Health Plan values the relationships we have with our provider partners, and our Secure Provider Portal is a key component, enabling providers to conduct business with Home State Health Plan from the convenience of their desktops. To that end, we are pleased to announce, effective 07/01/19, the web authorization redesign will be available in our Secure Provider Portal, adding features that will simplify the provider experience. For more information, we encourage you to visit the Provider News section of Home State Health Plan's website at <https://www.homestatehealth.com/providers/tools-resources.html>".

The right column is titled "Enter Authorization" and contains a section labeled "1. PROVIDER REQUEST" with a dropdown menu for "Select an Authorization Type" and a "NEXT >" button. At the bottom of the right column, there is a section labeled "3. FINISH UP".

Web Authorization

Web Authorization

- Authorization Type-driven
- Streamlined

The screenshot displays the Trillium web authorization interface. At the top, there is a navigation bar with icons for Eligibility, Patients, Authorizations, Claims, and Messaging. Below this, a header section shows 'Viewing Authorizations For: TIN' and 'Plan Type' set to 'Medicaid', with a 'GO' button. To the right are 'Smart Sheets' and 'Create Authorization' buttons. The main content area is titled 'Enter Authorization' and is divided into three steps: '1. PROVIDER REQUEST', '2. REVIEW REQUEST', and '3. FINISH UP'. In the '1. PROVIDER REQUEST' step, there is a dropdown menu labeled 'Select an Authorization Type' with a list of options: 'Select an Authorization Type', 'Inpatient Medical', and 'Outpatient Medical'. A red dashed arrow points from the dropdown menu to the 'NEXT' button, which is also highlighted with a red dashed arrow.

Web Authorization - Select a Provider Pop-Up

When Provider information is entered in a web authorization Provider / Facility field, the **Select a Provider** pop-up displays.

NOTE: If the NPI or name is not loaded in our system, the “**No providers found**” pop-up displays.

Select a Provider

Provider Location Address added to improve accurate provider selection, when there are multiple locations.

PAR / Non-PAR Indicator

PROVIDER NAME	PHONE NUMBER	TAX ID	PROVIDER LOCATION ADDRESS	NPI	SPECIALTY DESC	IN NETWORK	SELECT
Medical Center Inc...	6300	*****2830		3205	General Acute Care Hospital	✓	Select

Tip: For best results, enter the Provider / Facility NPI, instead of name.

Inpatient Medical - Service Type Options (Surgical)

When **Inpatient Medical** → **Surgical** → **Yes** is selected, the age (female only) and gender of the Member drives the options in the Service Type drop-down.

The image displays two side-by-side screenshots of the 'Enter Authorization' form, specifically the '1. PROVIDER REQUEST' section. Both screenshots show the 'Inpatient Medical' service type selected in a dropdown menu. Below this, the 'Surgical?' section has the 'Yes' radio button selected and highlighted with a red box. A dashed red line connects the 'Yes' selection to the 'Choose Service Type' dropdown menu, which is open and shows the following options: 'Choose Service Type', 'Choose Service Type', 'C-Section Delivery', 'Surgical Inpatient', 'Transplant', and 'Vaginal Delivery'. In the left screenshot, a pink arrow labeled 'Female' points to the 'Vaginal Delivery' option. In the right screenshot, a blue arrow labeled 'Male' points to the 'Transplant' option.

- The left pane displays the information entered in the Provider Request section, for review.
- Complete the Service Line information in the right pane.

The screenshot shows a web-based authorization form. The left pane, titled "Authorization For", displays a "PROVIDER REQUEST" section with a plus icon, a blurred provider name, and fields for "Primary Diagnosis: R10.9: UNSPECIFIED ABDOMINAL PAIN", "NPI:", "TIN:", and "Phone:". Below this is a note: "If you need an authorization for an out-of-network provider, please contact [blurred]". The right pane, titled "Enter Authorization", is highlighted with a red border and contains a "2. SERVICE LINE" section. It includes a "Now adding new service line" header, a "Servicing Provider" section with a checkbox for "Same as Requesting Provider" and a text field for "NPI or Last Name", "Start Date" and "End Date" fields, a "Units/Visits/Days" field, and a "Primary Procedure" section with a "Procedure Code" field and a "CODE LOOKUP" link. At the bottom of the right pane is a "NEXT >" button. A red dashed arrow points from the "2. SERVICE LINE" header in the right pane to the "PROVIDER REQUEST" section in the left pane. The top of the form shows "Authorization For" with fields for "DOB:" and "MEDICAID NBR:". The bottom of the form shows "3. FINISH UP".

Authorization Tips

- Always check the member's eligibility before submitting an authorization request
 - A web authorization **cannot** be submitted on an ineligible member
- **Web authorizations generally load in processing queue within seconds of submission**
- Up to five (5) separate documents can be attached to a web authorization request
- Always use the confirmation number to check the status of the request
 - This is the only way a portal user will see a web authorization error
 - Web authorization errors are uncommon, but when an error is encountered the web authorization request will not load, and thereby will not be processed
 - ❖ Please submit the authorization request by phone or fax
 - ❖ Notify the Health Plan and provide the web authorization confirmation number for research
